ABOUT ME

My name is Ömer Murat Kirca, and I'm a 4th-year Computer Engineering student based in Istanbul. I have a passion for front-end development, and through my recent internship, I gained hands-on experience in building mobile applications using Flutter and Firebase. I'm eager to keep learning and growing as a developer. I'm also passionate about expanding my knowledge in backend development to become a more well-rounded developer.

EDUCATION

Bachelor in Computer Engineering

İstinye University
2021 - Current

Education In Computer Science

École 42 Istanbul
2022 - 2023

WORK EXPERIENCE

Internship in Mobile App Development

Ulusal Faktoring A.Ş

July 2024 - August 2024

In my 6-week internship, I worked on a fintech app using Flutter and Firebase, gaining hands-on experience in state management (BLoC) and Firebase services, and mobile UI/UX. Strengthened skills in app development, focusing on user profiles, transactions, and collaboration in an Agile, remote working environment.
